PROFESSIONAL EXPERIENCE

SENIOR GRAPHICS DESIGNER | EXECUTIVE CREATIVE & OPERATIONS SUPPORT

Mosaic Gift Wrapping Services | Dubai, UAE | March 2024 - May 2026

- Led graphic design and creative execution for customized corporate gifts, weddings, private events, activations and branded projects, translating client ideas, event themes and corporate requirements into practical visual solutions.
- Worked directly with the CEO and clients from initial brief through concept development, preparing artwork and visual directions for giveaways, backdrops, signage, packaging, branded merchandise, presentations and event materials.
- Converted logos, themes, colors, dimensions, quantities and finishing preferences into accurate artwork, mockups and production specifications, then coordinated client revisions and approvals.

- Coordinated directly with printing and production suppliers on quotations, materials, dimensions, proofs, finishing requirements, production schedules and final delivery.
- Prepared print-ready artwork and production files for customized products, Cricut/vinyl applications, signage and event graphics, supporting individual pieces and bulk corporate/event requirements.
- Captured and edited product, event, workshop and behind-the-scenes photography and video for client progress updates, Instagram and marketing use; documented work-in-progress and completed outputs and shared curated content internally for post selection and campaign planning.
- Supported the CEO as a trusted cross-functional partner between creative projects, handling supplier coordination, procurement, documentation and selected HR, finance and administrative requirements; independently researched and resolved stalled operational matters involving WPS, banks and relevant authorities when escalation was required.

Selected Projects / Clients: Cartier | Farfetch | ADNOC | Visa Middle East | Dubai Media Incorporated (DMI) | Tryano - Yas Mall Abu Dhabi | Al-Futtaim Group | Les Roches Hospitality Academy | DNATA

PRODUCTION OPERATIONS | GRAPHICS & MULTIMEDIA DESIGNER

Rovatti General Trading LLC | Dubai, UAE | March 2022 - May 2024

- Designed customized corporate gifts, promotional merchandise, packaging and branded artwork for commercial and executive gifting, adapting client logos and brand elements across bottles, tumblers, leather goods, apparel, pens, watches and other products.
- Prepared precision vector artwork and technical layouts using Adobe Illustrator and EZCAD and executed hands-on laser engraving, adjusting focus/working height, positioning, speed, passes and engraving parameters according to product shape, surface, coating thickness and required finish.
- Worked extensively with Arabic and bilingual artwork for UAE clients, carefully checking character forms, dots, punctuation, spacing, placement and calligraphic/typographic presentation before production to protect readability and meaning.
- Handled curved, flat and differently sized items by recalibrating machine height and settings, assessing surface/coating behavior and performing production quality checks to achieve uniform output while avoiding excessive marking, burning or surface damage.
- Produced high-volume and high-value customized merchandise, including a project of approximately 30 Apple iPads engraved with a corporate logo, while also creating product photography, social media visuals and promotional content under deadline-driven production requirements.

IT TECHNICAL SUPPORT & GRAPHIC MULTIMEDIA DESIGNER

Katrina Sweets & Confectionery | Dubai, UAE | June 2018 - February 2021

- Created social media graphics, menus, promotional materials, packaging and digital content for retail marketing and customer-facing campaigns; photographed cakes and products and performed retouching, color correction and image enhancement.
- Prepared customized layouts, cake toppers and edible-print artwork to exact customer and production specifications, including accurate sizing and print-output preparation.
- Installed and configured Windows operating systems, business applications, software, device drivers, printers and peripherals, preparing computers and workstations for employees' daily operational use.
- Provided day-to-day IT technical support including hardware/software troubleshooting, printer configuration, system setup, computer maintenance and support for creative-production equipment and digital assets.

ADMIN | ACCOUNTS | LOGISTICS COORDINATOR

Ace Shipping & Logistics Service LLC | Dubai, UAE | March 2021 - January 2022

- Supported company marketing through presentations, promotional materials and social media content while coordinating customer communications, quotations and supplier requirements.

- Managed customer and operational documentation while coordinating day-to-day logistics, giving additional experience in client service, vendor follow-up and deadline-driven project support.
